

Data sheet KMR Trailer V15

The KMR Trailer is a proprietary development of k1 sporthotel GmbH & Co. KG.

Designed for the transport of 15 monster scooters or mountain bikes/e-bikes.
A combined transport of 10 e-bikes and 5 monster scooters is also possible.

The KMR Trailer V15 is perfectly suited for monster scooter or MTB rental stations without sufficient ascent or transport assistance (e.g. mountain railway connection).
